

On page 13 of the RFQ the Quote Pricing section provides 3 lines, one line per year for 3 years. However, on page 23 under VENDOR SERVICES it states "Equipment refresh cycle – 30 months minimum", and "Contract warranty lifecycle – 5-year maximum". Each of those seem to align with a 5-year agreement. Is pricing being requested for a 3-year contract, or a 5-year contract? If it is 5 years will a new page 13 be published? [Please provide pricing for both 3 and 5 years on the Quote Form that is on page 13 of the RFQ.](#)
