TRAUMA SCENE CLEANING-ENGLISH

The Pasco Sheriff's Office Victim Advocate Unit has compiled a list of trauma scene cleaners who hold permits through the Florida Department of Health. While not endorsing or recommending a particular company, the Better Business Bureau and Department of Health are contacted to verify their business status as well as if any complaints have been received. Citizens should consult their homeowner's insurance company as coverage for the services may apply. If the decedent was a victim of homicide or suicide where cleaning is needed, please contact our office to obtain victim compensation information. Our Victim Advocate Unit strongly recommends that family or friends of the victim should not be involved in the cleaning process as this may further traumatize the survivors.

TRAUMA SCENE CLEANING-SPANISH

La Unidad de Defensor de Víctimas de la Oficina del Sheriff de Pasco ha compilado una lista de limpiadores de escenas de trauma que tienen permisos a través del Departamento de Salud de Florida. Si bien no respalda ni recomienda una empresa en particular, se contacta al Better Business Bureau y al Departamento de Salud para verificar su estado comercial, así como si se han recibido quejas. Los ciudadanos deben consultar su compañía de seguros, ya que puede aplicarse la cobertura de los servicios. Si el difunto fue víctima de homicidio o suicidio donde se necesita limpieza, comuníquese con nuestra oficina para

obtener información sobre la compensación de la víctima. Nuestra Unidad de Defensor de Víctimas recomienda encarecidamente que los familiares o amigos de la víctima no participen en el proceso de limpieza, ya que esto puede traumatizar aún más a los sobrevivientes. Para obtener más información, visite el sitio web del Departamento de Salud en:
